TITLE: Rosa Parks (triptych)  
DATE: 2024  
MEDIUM: Digital/mixed medium tribute creation (w/signed pieces)  
SIZE: 38" x 98" framed

## DESCRIPTION:

ROSA PARKS by Todd Ortbring is a one-of-a-kind, 3-panel mixed media, tribute piece of the iconic civil rights activist. This creation includes the use of vintage photography and collectible memorabilia, along with newspapers clippings announcing her death and legacy. This unique work is created on 3-hard surface sections and features a signed post card mailer of **Rosa Parks** and MLK, mounted to the first section, hand painted art and embellishments, along with several of her quotes. Included is an original photo taken by photographer DONNA TEREK with the Detroit News, which can be found in the Library of Congress. The triptych is centered and elevated in a painted floater frame with historical newspaper clipping in the background.
